PROJECTS

Portfolio Website

January 2022

- Created a personal website to showcase the various projects I have worked on
- Used HTML and CSS to create a visually compelling and sophisticated design
- Can be found at: rhymedochtermann.com

Datagraphy Figma Website

November 2022

- Designed a Figma website for unique data visualizations I created
- Visualizations included a person's phone usage mapped out as a subway map and a conceptual timeline of a day in my life mapped to the church bells that rang outside my apartment

Image Processor

June 2022

- Created an image processor in Java that can take in most popular image formats, perform various transformation functions, and save the image to any format
- Used Java Swing to display the image to the user
- Integrated a controller to enable modifications to the image

WORK EXPERIENCE

Boys and Girls Club of America, Los Angeles, CA

July - September 2022

Youth Development Professional

- Developed lesson plans with enriching and engaging activities for kids from Pre-K to 5th grade
- Nurtured children during emotional and physical crises in an efficient and compassionate way
- Supervised 40+ kids during the summer camp program and after-school program for 5-7 hours daily

Starbucks, Boston, MA

January 2022 - June 2022

Barista and Cashier

- Prepared orders efficiently by memorizing a menu of 50+ drink recipes and easily adapted to customizations
- Provided customers with drink orders and suggestions, creating a personal connection with each guest and increasing customer satisfaction scores to 87%
- Led a team of 6 coworkers quickly during high demand, making 30 drinks every 10 minutes during rushes on average.

Chipotle, Los Angeles, CA

January - June 2021

Crew

- Greeted guests enthusiastically and improved customer satisfaction score to very satisfied
- Maintained food safety and worked in the BOH and FOH with online and in-person orders
- Deep cleaned store monthly and elevated store EcoSure score from 65% to 96%
